Instructions

New for 2019

You must submit Form RP-425-IVP with this form when reapplying for the Enhanced STAR exemption.

General information

To qualify, the home must be:

- owner-occupied, and
- the homeowner's primary residence.

The combined 2017 income of the owners and spouses who reside on the property must not exceed \$86,300, and it must have had a STAR exemption on the same property for the 2015-2016 school year.

Deadline: You must file this application and **Form RP-425-IVP** with your local assessor on or before the applicable *taxable status date*, which is generally March 1.

- In Westchester towns it is either May 1 or June 1;
- In Nassau County it is January 2;
- In the Villages of Bronxville and Kiryas Joel it is January 1; and
- In cities, check with your assessor.

For further information, ask your local assessor. Visit our website or your locality's website to find your local assessor's contact information.

Do not file this form with the New York State Department of Taxation and Finance or the Office of Real Property Tax Services.

Application instructions

Print the name and mailing address of each person who **owns** the property, including any non-resident owners. (If the title to the property is in a trust, the trust beneficiaries are deemed to be the owners for STAR purposes.) There

is no single factor which determines whether the property is your primary residence, but the assessor will consider factors such as voting location, automobile registrations, and the length of time you occupy the property each year. The assessor may ask you to provide proof of residency and ownership. For the enhanced exemption, proof of age may also be required.

You can find the parcel identification number on either the assessment roll or your tax bill.
